New QUICK REFERENCE charts now available from the Medicare Learning Network (MLN) (CMS Message 201001-17)

Posted January 22, 2010 ([GEN](#))

Quick reference charts can be handy lists for looking up information!

The Medicare Learning Network (MLN) has produced two QUICK REFERENCE CHARTS, which provide information on frequently used Centers for Medicare & Medicaid Services (CMS) web pages.

- The [Quick Reference: All Medicare Providers](#) (DEC2009) chart includes a list of CMS web pages that ALL Medicare providers use most frequently.
- The [Quick Reference: New Medicare Provider](#) (DEC2009) chart includes a list of CMS web pages that NEW Medicare providers use most frequently.

These charts can be bookmarked and viewed online or they can be printed and used as ready references. Both charts can be located at <http://www.cms.hhs.gov/MLNProducts/MPUB/list.asp> on the MLN Publications page. Use search key word “quick” to locate these publications.
